Factsheet

The Austrian Society of Allergology and Immunology (ÖGAI)

⇒ **celebrates its 50th birthday** in 2021.

- ⇒ **brings together** Austrian allergists and immunologists from science and medicine.
- ⇒ **is currently more important than ever** due to specific expertise in the pandemic
- ⇒ **is competent** in allergies, autoimmune diseases, immune deficiencies, infectious diseases, vaccinations and tumor diseases.
- ⇒ **is networked worldwide** with the international societies for allergology and immunology.

The ÖGAI promotes...

- ⇒ **Medical training in clinical immunology and allergology**
- ⇒ **Up-to-date and professionally checked information for doctors & patients**
- ⇒ **Subject-specific information on problems with the immune system**
- ⇒ **The next generation of scientists in allergology and immunology**
