Event Date

Welcome Message

Dear Friends and Colleagues,

On behalf of the **German Society of Immunology (DGfI)** and the **Austrian Society for Allergology & Immunology (ÖGAI)**, we are pleased to invite you to our joint annual meeting in Hannover, from September 7th to 10th 2022 at Hannover Medical School. With this upcoming joint meeting, we would like to continue the series of successful joint meetings in 1995 and 2008 Vienna.

DGfI was founded in 1967 and **ÖGAI**, who celebrated its 50th anniversary in 2021, shortly after. Both societies represent scientists and medical doctors interested in the physiology and pathophysiology of the immune system as well as clinical presentation, diagnostics and therapy of all immune related diseases including allergies. Our common goals are to bridge basic and clinical science to directly translate knowledge of immune mechanisms into improvement of therapy and prevention of immune dysfunction. Both societies promote education and career development of the next generation immunologists and foster scientific networks as well as interdisciplinary working groups specialized in immunological topics.

With this joint meeting in 2022, we not only follow a successful tradition, but we celebrate our **51st** annual meeting of the DGfI, together with the **50th** annual ÖGAI meeting. With our scientific program, we intend to bring basic immunology into the context of various diseases including allergy, autoimmunity, cancer, transplantation and infections, of course with special attention to COVID-19.

Prof. Dr. rer. nat. Christine S. Falk (DGfI)
Conference Chair
Director Institute of Transplant Immunology
Medizinische Hochschule Hannover (MHH)

For our **industry partners**, we offer direct contact both in person and virtual to all German and Austrian University Hospitals since we will have participants from all of these institutions across Germany and Austria as well as hopefully from abroad. On top of our highly attractive international scientific program, we are traditionally focusing on a bilateral exchange between researchers and industry by providing **platforms for demonstrations of novel technologies, reagents and devices**. The industry exhibition is always a central part of our annual meetings and, therefore, we provide support for our industry partners by a **structured industrial exhibition** in the middle of the two lecture buildings giving the chance for natural direct interactions with all participants. The floor plans for the industrial exhibition are enclosed in this booklet and you have the chance to select your favorite spot by directly contacting K.I.T. colleagues.

Together with the organizing committee, we are very much looking forward to welcome you all in Hannover and hope that you will take this opportunity to advertise your products to the immunological community of Germany and Austria!

Sincerely yours

Univ.-Prof. Dr. Erika Jensen-Jarolim (ÖGAI)
Conference Chair
Division of Comparative Medicine
Messerli Research Institute

Conference Venue

Hannover Medical School (MHH) is the only independent university medical school in Germany with the three pillars “Infection & Immunity”, “Regeneration & Transplantation” and “Biomedical Technology & Implants”. In Biomedical research, high-end patient care and teaching are our core aspects, supported by several research and teaching consortia. MHH belongs to the top hospitals in the German academic landscape, and we are delighted to welcome you to our joint Meeting of the DGfI and ÖGAI in Hannover.

At our MHH medical campus, we will build our event center, which provides an ideal setting for the joint congress in a hybrid format where more than 700 events ranging from workshops, patient fora, congresses and public lectures used to be held here each year before the Pandemic.

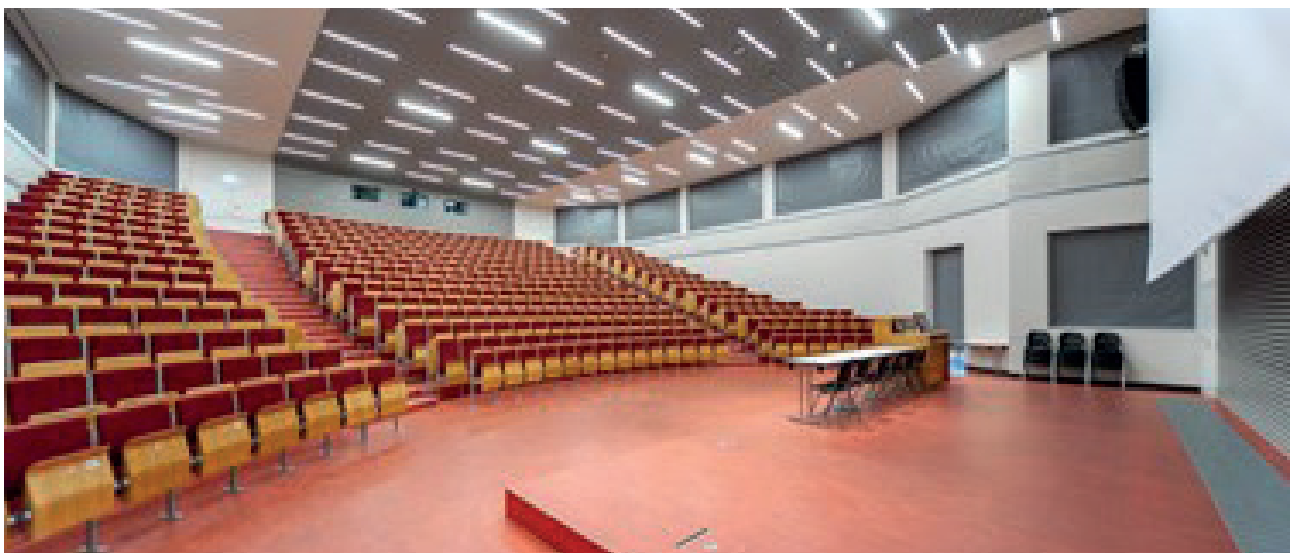

For our joint Meeting, we will reserve 12 fully equipped seminar rooms, lecture halls and an auditorium as well as space for posters, industry exhibitions and coffee breaks in the buildings J01 and J02. Light exhibition areas allow congress participants and partners space for meetings, stimulating talks and discussions, as well as for making and deepening new and old contacts.

Immerse yourself in the campus atmosphere and be inspired by state-of-the-art lectures and current up-dates!

Sponsorship Opportunities

SET THE AGENDA

IMPROVE YOUR NETWORK

STRENGTHEN YOUR PROFILE

Industry involvement is one of the key elements to the success of the Joint Meeting of the DGfI and ÖGAI. Your presence and contribution enhance the overall scientific impacts of the conference – through promotional opportunities, scientific exchange, delegate travel support and community engagement.

The joint meeting will be organized as a hybrid conference with participants both on site and via the web. This format is motivated by the need to reduce the environmental footprint of the conference, particularly air travel, but also by the ongoing uncertainties associated with the COVID 19 pandemic. We will physically convene in the Medical School Hannover (MHH) and enable virtual participation also from abroad. We aim to offer the best scientific education in both worlds by live streaming all plenary, main and President's symposia and by recording all workshops and industry related sessions. All recordings as well as the scientific posters will be available online after the conference on demand until December 31, 2022.

In principle, all sponsors will be treated on a "first come, first served" basis and will be mentioned in all Conference Publications, such as the Final Program and the Conference Website.

DGfI Corporate Partners receive priority choice rights on exhibition booth location, exclusive sponsorship items and symposia slots within their sponsorship category. Furthermore, all DGfI Corporate Partners receive 10% discount on exhibition space. Should sponsors wish to organize an event before, during or after the conference, written consent from the Scientific Organizers is required. Sponsors are welcome to offer additional events; however, these may not take place parallel to any official conference events, scientific sessions or satellite symposium. For further information please refer to the Program at a Glance (pages 6-9).

On the following pages, various sponsorship options are listed which sponsors may select. All prices are subject to relevant taxes / VAT.

The total amount of financial contribution allocates them a sponsorship level.

Sponsorship Opportunities

LUNCH SYMPOSIUM

Price: 4,500 EUR (room size >100pax)
5,500 EUR (rooms size >300pax)

All Lunch Symposia will be recorded (presentation slides and audio) and uploaded to the online platform for on demand availability. The platform will be accessible by online-only registrants and all onsite registrants.

Lunch Symposia are organized by sponsors. Once the program of the Sponsored Session has been approved, it cannot be modified. Please find all available slots in the preliminary program on pages 6/9 of this document.

The sponsor is responsible for the invitation and travel arrangements of invited speakers as well as ensuring their activities are compliant according to the German rules and regulations.

The sponsor requested to provide lunch boxes to participants. Lunch options and prices on request. Set-up and dismantling must take place within the booked time slot.

The above-mentioned prices include:

- Recording of presentation slides and audio
- Hiring of the room
- Standard audio and video equipment for the room
- Audiovisual technician
- Sufficient number of microphones for speakers and audience
- Publication of the symposium program on the Conference App and on the Conference Website
- Use of the Speaker Preview Room

Any other service not listed above will be provided at an extra charge (e.g. video recording, hostesses, extra A/V, simultaneous translation, catering, etc.)

FACULTY PROMOTION

SPEAKER PREPARATION ROOM

Price: 2,000 EUR

Sponsor may provide a freestanding banner which will be positioned at the entrance to the room.
Sponsor's logo will feature as a screen saver in the Preparation Room

CONFERENCE MATERIAL

CONFERENCE BAGS

Price: 1,500 EUR (exclusive)

The company sponsoring the conference bags will be mentioned in the pocket program and on the conference website. In addition to the conference design the bag will carry the company's logo.

Quantity: 1000

Design must be submitted to the Conference Organiser for approval. Material must be provided and delivered directly by the sponsor.

CONFERENCE BAG INSERT

Price: 1,000 EUR
(excluding production cost)

Insert a leaflet or an invitation to your exhibition booth or to your sessions / presentations into all conference bags.

Quantity: 1000

Design must be submitted to the Conference Organiser for approval. Material must be provided and delivered directly by the sponsor.

BROCHURE DISPLAY

Price: 700 EUR (check-in area)
950 EUR (plenary hall)

Quantity: max. 250 brochures

Display of brochures at the check-in area/ plenary hall.

POCKET PROGRAM

Price: 1,800 EUR (Inside 1/1 Front or Back Cover)
1,300 EUR (Inside 1/1 Page)

The Pocket Program is replacing the Conference Program noting all important conference information. It will be inserted into the badge holder of all attendees.

Sponsorship Opportunities

DELEGATE NAME BADGES

Price: 1,500 EUR (exclusive)

Name badges will be assigned to every attendee. Sponsor's logo printed on badges. Attendee name badges will be produced by the Conference Organiser. The name badge will include the attendee's name and country of residence.

Sponsors choosing both badge lanyards and name badges will receive a 25% package discount on both items.

BADGE LANYARDS

Price: 1,500 EUR (exclusive)

Lanyards will be assigned to every delegate together with their name badge. Design must be submitted to the Conference Organiser for approval. Material must be provided and delivered directly by the sponsor.

CONFERENCE SERVICES

CONFERENCE APP

Price: 6,000 EUR (exclusive)

The Conference App is designed to enhance the experience of the participants before, during and after the event by providing conference-related information at the tip of the attendees' fingers.

The sponsorship will include:

- Logo on splash screen
- Exclusive logo on the exhibitors list
- Banner at the bottom of the exhibitors list (banner to be designed by the sponsor)
- Banner on sponsors' list page (banner to be designed by the sponsor)
- Email to all pre-registered delegates when app is online with sponsor's logo

COMMUNICATION

EMAIL BLAST

Price: 1,500 EUR (before September 5)
1,800 EUR (after September 5)

Your personal message to all attendees.

Send out an individual announcement for your session, exhibition booth or other information to all registered attendees.

Email Blast will be sent out by the Conference Organiser. Sponsor must provide email design, texts, pictures, etc., in HTML format with links to all graphics, two weeks prior to the date the Email Blast is due to be sent out.

POSTERS

POSTER SIGN BRANDING

Price: 1,800 EUR (exclusive)

Company logo will be displayed on all poster numbers that are attached to the poster walls. The company will be named as the sponsor of the poster signs in the pocket program and on the conference website.

POSTER PRIZE SPONSOR

Price: 2,500 EUR (exclusive)

Be the exclusive sponsor of the poster prizes! The sponsorship includes:

- announcement on the homepage
- announcement in the pocket program
- verbal acknowledgement as sponsor of the poster awards in the ceremony

SOCIAL EVENTS

Social events form a core part for the networking opportunities provided by. Each event attracts many attendees, and sponsors can use this unique opportunity to network with attendees outside of their booth.

SPEAKERS DINNER

More information on request.
Price: 12,000 EUR

SOCIAL EVENING

More information on request.
Price: 12,000 EUR

WELCOME RECEPTION

More information on request.
Price: 12,000 EUR

Exhibition Space

Allocated alongside the aisles between all session rooms and surrounded by catering and scientific posters, the exhibition is deeply integrated into the natural traffic flow of the conference.

Exhibition costs per square meter:

Until March 31 2022..... 400 EUR/sqm

From April 1 2022..... 460 EUR/sqm

Minimum raw space..... 6sqm

Discounts are available on request for NGO's and charitable companies.

On top of the exhibition space cost above, electricity and furniture can be purchased. Please contact us for more information on options and prices.

Allocation of booth depends on sponsorship level and date of booking.

Free exhibitor name badges are provided to exhibitors based on the amount of square metres purchased as follows:

6 - 12sqm..... 2 badges

13 - 20sqm..... 4 badges

21 - 50sqm..... 6 badges

Additional exhibitor badges can be purchased for 100 EUR each and include the participation in the coffee breaks and Welcome Reception on September 7, 2022.

PROVISIONAL EXHIBITION OPENING HOURS

Set-up:

September 6, 2022..... 09:00 - 18:00

September 7, 2022..... 08:00 - 09:30

Opening Times Exhibition:

September 7, 2022..... 09:30 - 19:00

September 8, 2022..... 09:30 - 18:00

September 9, 2022..... 09:30 - 18:00

Dismantle:
