Liebe ÖGAI Members!

Wir hoffen, Sie sind gut im Jahr 2022 angekommen. Wir freuen uns auch in diesem Jahr auf einen regen Austausch mit Ihnen entweder virtuell, oder - wenn es die Corona-Situation wieder erlaubt - auch persönlich in ÖGAI-Meetings und Webinaren, oder auch auf den Veranstaltungen unserer internationalen Dachgesellschaften.

Haben Sie einen der vielen Vorteile der ÖGAI Membership schon geltend gemacht? Bitte vergessen Sie nicht darauf die neue Dual Membership Regelung geltend machen, wenn Sie Ihren Jahresbeitrag für eine unserer Dachgesellschaft, der EAACI, einbezahlen. Durch das Abkommen der ÖGAI mit der EAACI bezahlen Sie als ÖGAI Member nur mehr 30.- EUR EAACI Membership Fee. Unser Dank gilt an dieser Stelle ganz besonders Karin Hoffmann-Sommergruber, die sich als EAACI Vizepräsidentin *Communication and Membership* für diese Regelung eingesetzt hat. So beginnt das Neue Jahr gut! EAACI Mitglieder unter 35 Jahren sind übrigens komplett vom EAACI Mitgliedsbeitrag befreit, um den Eintritt in das Wissenschafts- und Forschungsnetzwerk zu erleichtern.

Ein besonderes Anliegen wird uns natürlich auch im neuen Jahr die Förderung unserer jungen Mitglieder, den Next Generation Immunologists/ngi's, mit ihrer neuen ngi-Chefin Katja Knapp sein. Schon im letzten Jahr konnten wir die zahlreichen Interaktionen mit den ngi's ausbauen und sie sind für uns auch in den Social Media sehr präsent. Ganz nach dem Motto „Tue Gutes und sprich darüber“! Gelegenheit für Begegnungen wird es auch auf unserer ÖGAI Jahrestagung vom 7.-10. September 2022 geben, die heuer gemeinsam mit der Deutschen Gesellschaft für Immunologie (DGfI) in Hannover stattfinden wird - die Vorbereitungen laufen bereits auf Hochtouren.

In diesem Sinne, freuen wir uns auf eine spannende Reise durch 2022 gemeinsam mit Ihnen. Wir danken allen unseren Unterstützenden Mitgliedern aus der Industrie, dass Sie uns auf diesem Weg begleiten.

Ihre

Erika Jensen-Jarolim
Präsidentin

&

Eva Untersmayr-Elsenhuber
Sekretärin

Dear ÖGAI Members,

We hope you have arrived well in the new year 2022. We look forward to lively exchanges with you this year, either virtually, or - if the corona situation allows it again - also in person at ÖGAI meetings and webinars, or also at the events of our international umbrella societies.

Have you already claimed one of the many benefits of ÖGAI Membership? Please do not forget to claim the new Dual Membership fee when you pay your annual dues for one of our umbrella societies, the EAACI. Due to the agreement of the ÖGAI with the EAACI you pay as ÖGAI Member only 30.- EUR EAACI Membership Fee. Our special thanks go to Karin Hoffmann-Sommergruber, who as EAACI Vice-President Communication and Membership has worked hard for this arrangement. So, the New Year started well! EAACI members under 35 years of age are, by the way, completely exempt from the EAACI membership fee in order to facilitate their entry into the scientific and research network.

A special concern for us in the new year will continue to be the promotion of our young members, the Next Generation Immunologists/ngi's, with their new chief Katja Knapp. Already last year we were able to expand the numerous interactions with the ngi's, and they are also very active for us in terms of social media. True to the motto "Do good and talk about it!" There will be more opportunities for encounters at our ÖGAI Annual Meeting from September 7-10, 2022, which will take place together with the German Society for Immunology (DGfI) in Hannover - preparations are already fully ongoing.

With this in mind, we look forward to an exciting journey through 2022 together with you. We thank our supporting members from industry for travelling with us!

Yours,

Erika Jensen-Jarolim

SAVE THE DATE!

Im Namen der Deutschen Gesellschaft für Immunologie (DGfI) und der Österreichischen Gesellschaft für Allergologie & Immunologie (ÖGAI) freuen wir uns, Sie zu unserer gemeinsamen [Jahrestagung in Hannover](#) vom [7. bis 10. September 2022](#) in der Medizinischen Hochschule Hannover einzuladen.

On behalf of the German Society of Immunology (DGfI) and the Austrian Society for Allergology & Immunology (ÖGAI), we are pleased to invite you to our joint [annual meeting in Hannover](#), from [September 7th to 10th 2022](#) at Hannover Medical School.

Ankündigung: Preise anderer

Innovation Cup 2022

From July 23rd – July 29th, 2022, Merck_KGaa, Darmstadt, Germany, a vibrant science & technology company with a more than 350 years long history, will be hosting the 12th edition of the [Merck Innovation Cup](#).

We are inviting post-graduate students and young professionals to apply now – **deadline January 31st, 2022**. Travel and accommodation will be paid by us.

On the occasion of the Day of Immunology on April 29, IUIS and its Gender Equality Committee (GEC) proudly announce the [“Menarini Prize for Outstanding Woman Immunologist”](#) established thanks to the forward-looking vision and generous support of the Menarini Group.

The **deadline for submission of the nominations** has been postponed is **January 1, 2023** due to the change of the date of the 18th International Congress of Immunology to December 2023. The Nomination should be sent to info@iuis.org and paola.castagnoli@gmail.com.

ACTERIA Prizes awarded by EFIS – Singling out Europe's young talents in Immunology & Allergology

The call for applications for the 2023 ACTERIA Early Career Research Prizes will be announced on October 31st, 2022

Veranstaltungskalender

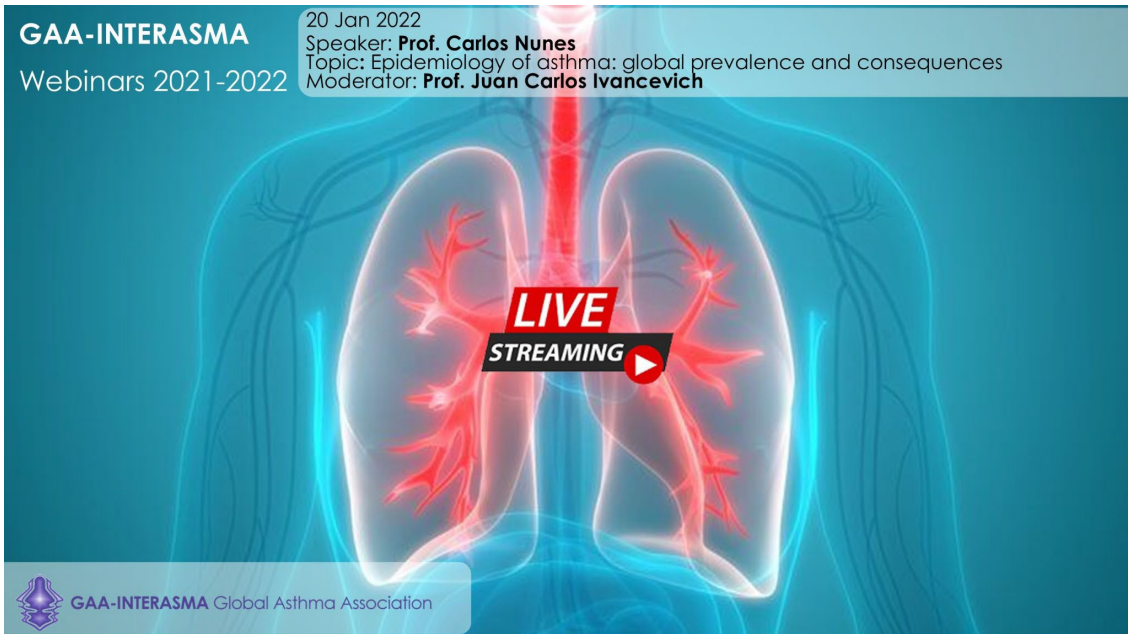

GAA-INTERASMA
Webinars 2021-2022

20 Jan 2022

Speaker: **Prof. Carlos Nunes**

Topic: Epidemiology of asthma: global prevalence and consequences

Moderator: **Prof. Juan Carlos Ivancevich**

GAA-INTERASMA WEBINARS

The webinars are **one-hour** monthly educational events offered monthly from September to June each year. They will be held at **16h00 (UTC+2) (10h00 EST- UTC-4)** generally on Thursday of the 3rd or 4th week of the month). An expert will discuss an important topic related to asthma and co-morbid conditions.

World Allergy Organization & BSACI
2022 UK Conference
EICC Edinburgh
25-27 April 2022

Dear Dr. Austria,

The World Allergy Organization (WAO) and the British Society for Allergy & Clinical Immunology (BSACI) are delighted to be hosting a joint, in-person conference in the beautiful historic city of Edinburgh, Scotland, United Kingdom from 25–27 April 2022. This meeting, the [WAO–BSACI 2022 UK Conference](#), will have an exciting and packed scientific program.

In 2021, BSACI held a successful in-person meeting and we will continue to monitor the COVID pandemic so we can take [appropriate measures to ensure the safety of our delegates](#). Working closely with the Edinburgh Conference Centre, we aim to deliver a safe conference for all on 25–27 April.

We are pleased to announce that we have already received a large number of abstract submissions, however, we have decided to open a ‘late breaking abstract submission’ which closes at 18:00 (GMT) on Tuesday 1 February 2022. Please familiarize yourself with the [abstract submission guidelines](#) or [submit your abstract](#).

WAO & BSACI Travel Grants

Travel Grants enable delegates who submit abstracts, which are accepted to the conference to present their work, the opportunity of applying for support for travel, registration and accommodation for the meeting.

There are two categories for applying, either domestic (UK) or international (including Europe). [Learn more about Travel Grants](#).

We hope to see you in Edinburgh this April and we invite you to [Register Today!](#)

On behalf of the WAO & BSACI, we look forward to welcoming you to our joint UK Conference 2022.

Warm regards,

Motohiro Ebisawa, WAO President

Graham Roberts, BSACI President

1st ANNOUNCEMENT

Dear colleagues,

The **5th Meeting of Middle Europe Societies of Immunology and Allergology (MESIA)** will be taking place from **23 – 26 of November 2022** at the **Hotel Ambassador in Prague, Czech Republic.**

Let us cordially invite you to join this 3–annual meeting of the Immunological Societies and Societies of Clinical Immunology and Allergology from 6 countries in Central Europe, which are linked not only scientifically but also historically:

Czech Republic, Slovakia, Hungary, Austria, Croatia and Slovenia.

11 societies of immunology will present their lines of study and new data during a 3,5 days meeting, organized for creating the best surrounding to network in a joyful atmosphere.

We believe that not only the beauty of Prague, but also its central location and easy access from all over Europe will be attractive to participants as a venue for this upcoming congress.

This congress will be organized by the Czech Immunological Society – CIS (President CIS and chair of the congress: Dr. Luca Vannucci, MD, PhD), in cooperation with the Czech Society of Clinical Immunology and Allergology – CSAKI.

Registration will be online very soon! Sincerely

Luca Vannucci President

Czech Immunological Society (CIS)

Den nächsten ÖGAI-Newsletters erhalten Sie diesmal am Donnerstag, den, 17. Februar 2022.

Bitte schicken Sie uns Ihre Ankündigungen noch rechtzeitig vor **Redaktionsschluss**, bis zum

10. Februar 2022, zu.

Wir freuen uns über Wünsche und Anregungen.
